

A Community of Faith, A Place of Learning

Road Safety

A reminder for both children and parents that for their own safety, children are not allowed onto the school carpark at any time and must always use the paths.

A letter has been sent home for parents and residents to remind everyone of the safe parking procedures that we like to apply.

Uniform

We pride ourselves on how smart the children look in their uniforms. Please can we remind you all that this includes black shoes.

After School Clubs

When you receive the new club timetable could you please state if you will be picking your child up from the club or if you will be allowing them to walk home afterwards. This applies to **ks2** only as the **ks1** children will wait at reception as usual.

When you are collecting your child after a club, please can we ask that you do not let other parents into school. This is to ensure that the school is following the correct safeguarding procedures.

Please note that we have changed the day of the Fitness and Circuit Training Club from Wednesday to Tuesday by request of the children.

Thursday - a very busy day!

Yesterday, Puffin class went to St Oswald's Church to learn about all the different areas of the church and what they represent. Jane showed them around the building and answered any of their questions.
