

# Art and Design at Flamborough CE Primary School

*'Every Artist was First an Armature' Ralph Waldo Emerson*

## Art and Design Vision Statement

At Flamborough School our intent is to develop children's creativity through art, craft and design. Through a child led approach, children are engaged, inspired and challenged. They are taught the knowledge and skills to experiment, invent and create their own works of art as well as acquiring knowledge of great artists, craft makers and designers.

## Key Skills

To produce creative work. To become proficient in drawing, painting, sculpture and other art and craft techniques.

## Content

Teachers will take a child led approach to teaching art. They will combine art and design with their class topics ensuring the NC content and progression framework are met.

## Implementation

Art and design lesson are often blocked to ensure the most effective use of time. Children are given opportunities to celebrate and share their work with other children in school and parents. Displays are also used around school to celebrate the children achievement and to show progression across the years.

## Monitoring and Assessment

Children are teacher assessed against the end of year expectations.

KS2 also have a sketchbook that follows them through school to show progression.

## Impact

Children feel confident in selecting and using a range of materials and techniques. Children can talk about their work and the work of famous artists using the correct vocabulary
