

# French at Flamborough CE (VC) Primary School

## Grandir avec Dieu et viser l'excellence

### Statement of Intent

At Flamborough School, our intent is that all pupils will develop a genuine interest and positive curiosity about foreign languages, finding them enjoyable and stimulating. Learning a second language will also offer pupils the opportunity to explore relationships between language and identity, develop a deeper understanding of other cultures and the world around them with a better awareness of self, others and cultural differences.

As children progress through the lessons in a unit they will build their knowledge and develop the complexity of the language they use.

### Key skills

The four key language learning skills; **listening, speaking, reading** and **writing** will be taught and all necessary **grammar** will be covered in an age-appropriate way across Key Stage 2. This will enable pupils to use and apply their learning in a variety of contexts.

### Content

Children will build on previous knowledge gradually as their foreign language lessons continue to recycle, revise and consolidate previously learnt language whilst building on all four language skills.

### Implementation

As none specialist teachers, Flamborough CE Primary subscribes to [www.languageangels.com/schools/](http://www.languageangels.com/schools/) to provide a progressive teaching sequence from y3 to y6. Children will progressively acquire, use and apply a growing bank of vocabulary, language skills and grammatical knowledge organised around age-appropriate topics and themes. A variety of language teaching methods are used to engage different learning styles. These include films, games, role-play, quizzes, use of a range of media and songs.

### Monitoring and Assessment

Learning and progression in the key language skills (speaking, listening, reading and writing) and against the 12 DfE Languages Programme of Study for Key Stage 2 attainment targets, takes place at the end of each 6 week teaching unit.

### Impact

Our MFL curriculum will ensure all pupils develop key language learning skills set out by the national curriculum, as well as a love of languages and learning about other cultures.
