

Flamborough CE Primary School

Growing with God and Striving for excellence

Friday 20th October 2023

Celebration Assembly

Puffins – Ryan & Hunter

Gulls – Anthony & Hughie

Kittiwakes – Coen, Nolan, Iris & Robyn

Gannets – Xavier & Loretta

Collective Worship Leaders

Here are our collective worship leaders. They were voted for by the children in their classes as they are considered to be children who lead by example and show a commitment to the Christian values we consider to be important.

They lead collective worship and help to ensure that our Christian vision of 'Growing with God and striving for Excellence' underpins all we do in school.

IN
October
we Wear
Pink

Breast Cancer Awareness

Thank you to all the children who came to school wearing pink today for breast cancer awareness. This day has played a significant role in raising awareness about breast cancer and supporting research that brings us closer to a future without breast cancer and we are extremely happy to show our support.

We have raised £94.60 for the cause.

World Values Day

World Values Day, is a campaign to increase the awareness and practice of values around the world. In a world that can feel increasingly divided, values help unite us. They are the glue holding together our communities and wider society and this year's campaign theme is Values Bring Us Together.

We asked for grandparents to come into school and read a story with their grandchildren and their friends. The session was thoroughly enjoyed by all that took part.

Harvest

Thank you to everyone that donated produce or boxes to our harvest festival. The children performed wonderfully and then the Gannets delivered the boxes to our neighbours in the village. We were greeted by people who were delighted to have been thought about and nominated and they were extremely happy to be visited by the children, who were very polite and respectful to all.

Have a nice weekend!
