Call us today  
**01262 850513**

## Nursery Places

As you are aware, following a lengthy period of planning and formal consultation with the local community, we are extending our provision to offer places for 3 and 4 year old children.

The nursery children will join reception children in **Puffin class**, which will operate as a foundation unit. Therefore, the number of full-time equivalent nursery places will vary according to our admission into reception for that year.

**The nursery children will be called the Pufflings!**

Expression of interest forms can be collected from the school office and further information will be sent out in due course.

## Easter Bingo

We are holding our Easter bingo on the evening of Wednesday 20<sup>th</sup> March. In preparation for this, we are having non-school uniform days to collect prizes. The next one will be on Friday 8<sup>th</sup> March and the following one on Thursday 14<sup>th</sup> March. Thank you for your support.

## Friends of Flamborough School

I just wanted to take this opportunity to once again, thank the members of the committee for all of their help and support when organising fund raising events. Even just this term the funds have been used to buy books for the maths scheme that we use in school and has paid for transport to enable the children to go on school trips and attend various enrichment events. If anyone would like to join the committee or help out at any of the events, please contact the school.

## RNLI – 200 years

BBC East Yorkshire and Lincolnshire radio came into school last week to talk to some of the children about the RNLI and how important it is for our local area. The children created some artwork with Mrs Blair, to celebrate 200 years of the RNLI and then this was presented to David Freeman at the lifeboat station. Every child in school put their prints onto the canvas and hopefully we might see it hanging in the station.

The show starts at 2pm on Monday 4<sup>th</sup> March, until 6pm – and will include the audio we've gathered at your school and local RNLI station too. Do tune in! Link below or tune into BBC Radio Lincolnshire or BBC Radio Humberside.

<https://www.bbc.co.uk/programmes/p0h9tfdg> – lots of individual clips too, and more to be uploaded in the next few days.

## Panathlon

Well done to our Panathlon team that represented the school in a Kurling event at Headlands.

Have a nice weekend!

Well done to Joshua on his swimming award. Joey for player of the month in Rugby and Tommie for player of the week.
