SATS

I am delighted to share that our year 6 children have truly risen to the challenge of their SATs this year. Their dedication, hard work, and resilience have been remarkable and they have approached these exams with a positive and determined attitude. Your support and encouragement have played a vital role in their success. We are proud of what they have achieved.

Mental Health Support Team

Mental Health Support Teams are working in our school!

Some of you may remember that we are working with our Humber Teaching NHS Foundation Trust and East Riding local authority to deliver a brand–new service to support our children’s mental health and well–being in our school. We have organised a parent workshop exploring behaviour as a form of communication, which has proven extremely helpful to parents in other schools. Please come along for advice, support and chats with other parents and the team.

Please book your place via Classdojo to Mrs Long.... everyone is welcome.

Extra Curricular Activities

Well done to Indie who has passed another swimming level and to Noah who has a very special signed photograph from some high profile football players.

Well done to Loretta, who has been playing a game called Rollama, which is to help with spelling grammar and punctuation. She is working hard to improve her scores all the time and she is now 3rd in the world! Rollama sent her a gift as they are so impressed with her efforts!

Have a lovely weekend!
